JOIN US AS WE RAISE SUPPORT FOR BELIZE

For nearly 30 years, the men of The Grove have traveled to Mexico and South America through our project called HANDS to serve those in need through service and building projects. This year we are expanding our reach to Belize and working with a local orphanage. Belize is known as one of the most fatherless countries in the world. This gives our men a great opportunity to meet the physical needs of many kids, through construction and repair projects, as well as the social, emotional, and spiritual needs of many fatherless children. Join us as we help these kids grow and mature into healthy men and women.
