Annual Golf Tournament

Celebrating 40 Years of Serving Our Communities

Friday, September 14th, 2018

Morongo Golf Club at Tukwet Canyon in Beaumont, CA

Sign Up Today!!

Inland Behavioral and Health Services, Inc. (IBHS) is a nonprofit community health center providing health services in the cities of San Bernardino and Banning, geared toward persons with low income, the uninsured, and the underinsured since its inception in 1978. IBHS will commemorate its 40th Anniversary by dedicating its 14th Annual Golf Tournament fundraiser towards celebrating reaching this momentous accomplishment. Resources raised during our 40th Anniversary will support IBHS in continuing the delivery of all five foundational programs at IBHS, and the implementation of new programs such as the Hepatitis Center of Excellence and a Pain Management Program.

Registration Fees
